

The Kesmac KTR 30 Turf Roller

Ideal for Landscapers,
Contractors and Rentals

The Kesmac KTR 30 Walk Behind Turf Roller, with a smooth or traction drum and rounded edges, is gentle on turf. It's a breeze to operate and maneuver around tight spaces. The handle folds for easy transport and storage.

- Heavy duty design
- Water filled roller
- Finger tip controls for speed, forward, reverse and on / off
- Optional 3/16", heavy duty traction drum

Optional power unit protection package with lift eye and dead man's handle.

Well Made Well Priced
